TRACK LIGHT

Commercial & Architectural Lighting Manufacturer
Smart Lighting Solutions for Modern Spaces

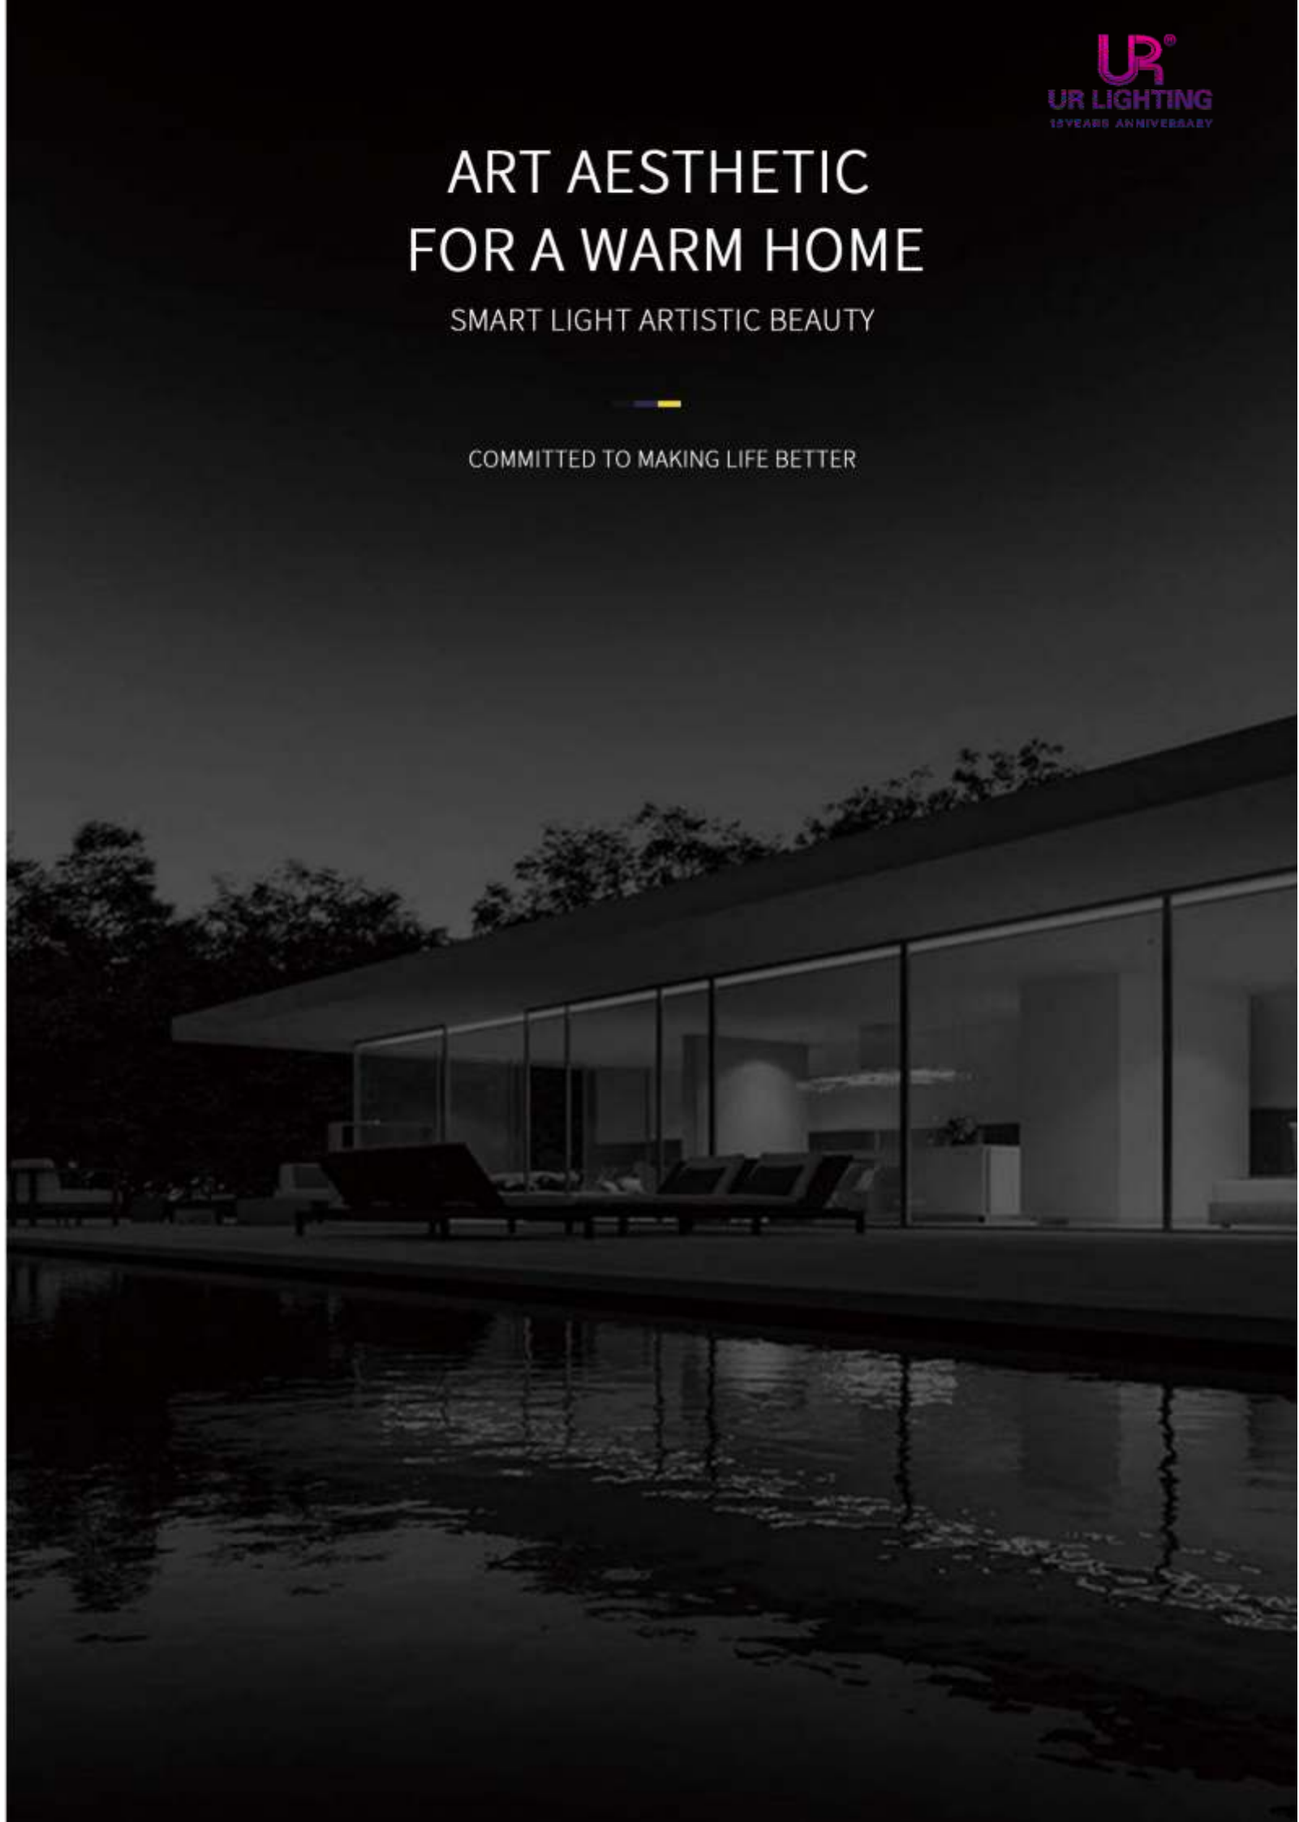

UR LIGHTING
15YEARS ANNIVERSARY

About Company

UR Lighting is a trusted brand

- 15+ years manufacturing experience
- Full service, reputable firm
- Strict quality control process

UR LIGHTING

By your side

We understand and support your ideas.

Our highly qualified and experienced team and associated partners can follow different project typologies, support you through every phase of the project realization and help you with all the information you may need.
The purpose we have always adhered to is:
to go global with high quality!

1

PLANNING

Our team will help you define your project's specific requirements and provide the best solution for your needs.

2

PRODUCT SELECTION

We offer advice regarding luminaire selection and technical specifications.

3

DELIVERY

We stand for timely delivery. Our operations team will ensure that your order is accurately processed for production and delivered on time.

UR LIGHTING Advantage

The greatest advantage of ours is to design, develop and produce , creative, LED lights. No matter what kinds of LED lights you like, just tell us your demand, the best solution would be providedby our professional engineers,The R&D department has experienced engineers. And also we customize available tailored solutions for various lighting projects.

Using what we have learned and accumulated experience, we are constantly moving forward and creating new concepts.

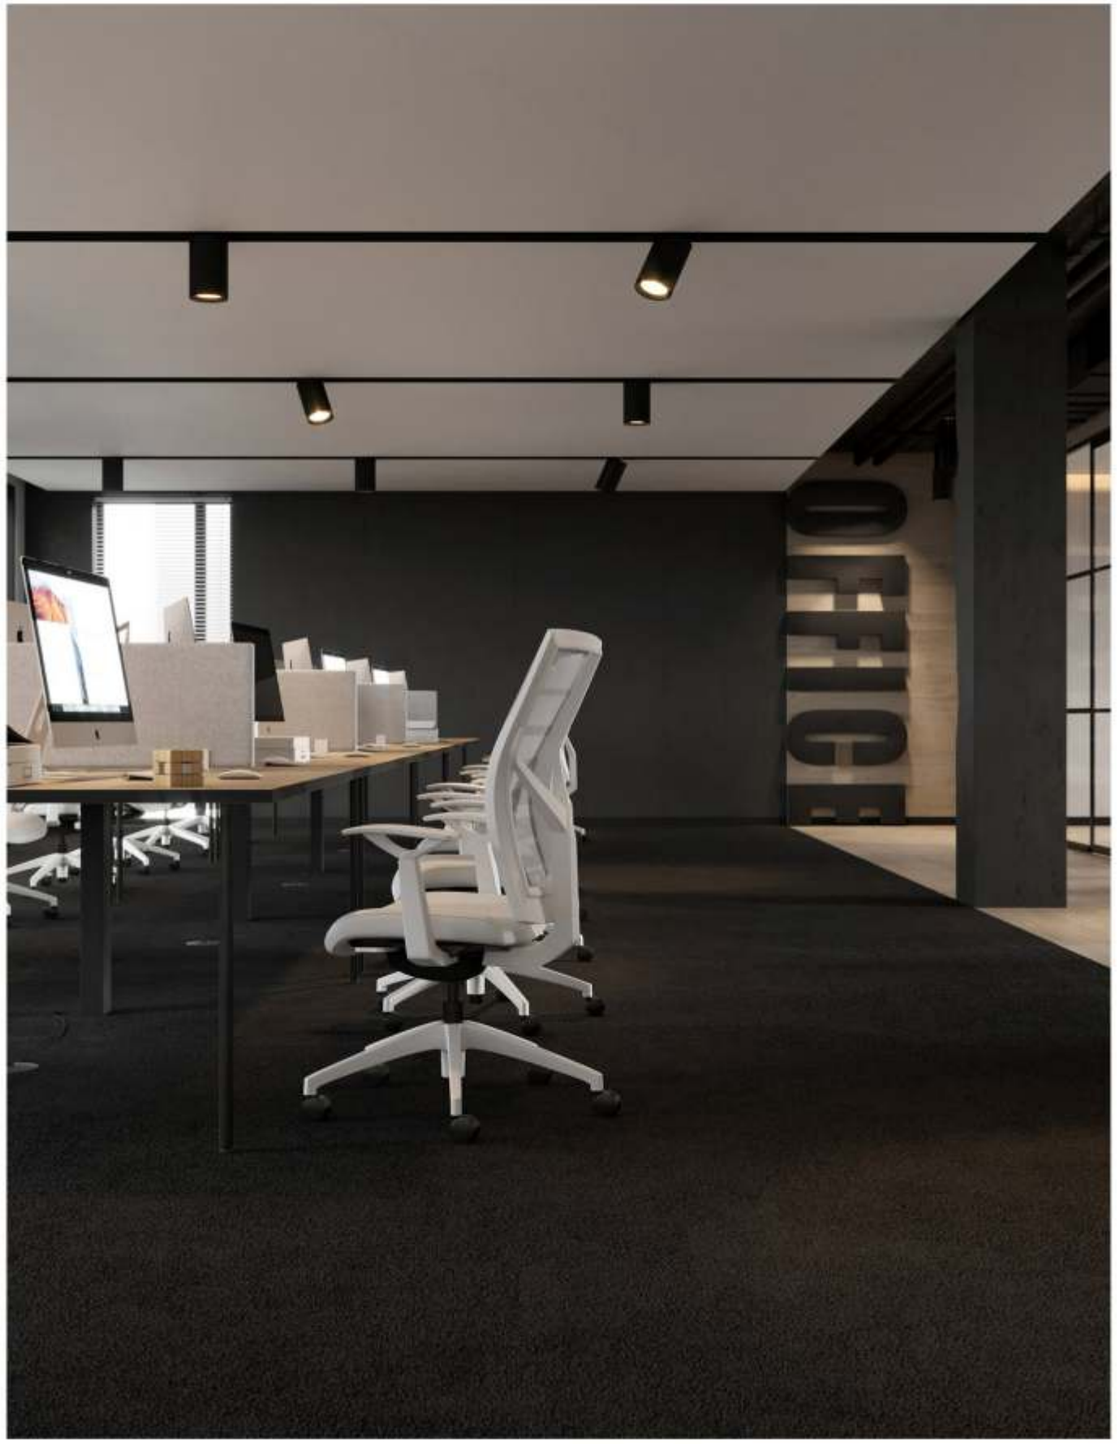

1) Thanks to our perfect PMC system, production system and strict quality control system with perfect inspection process.

2) All new products undergoes stringent validation and age testing prior to production.All products undergoes "burn in"test prior to packing.orders are QC inspected by our staff prior to shipping.

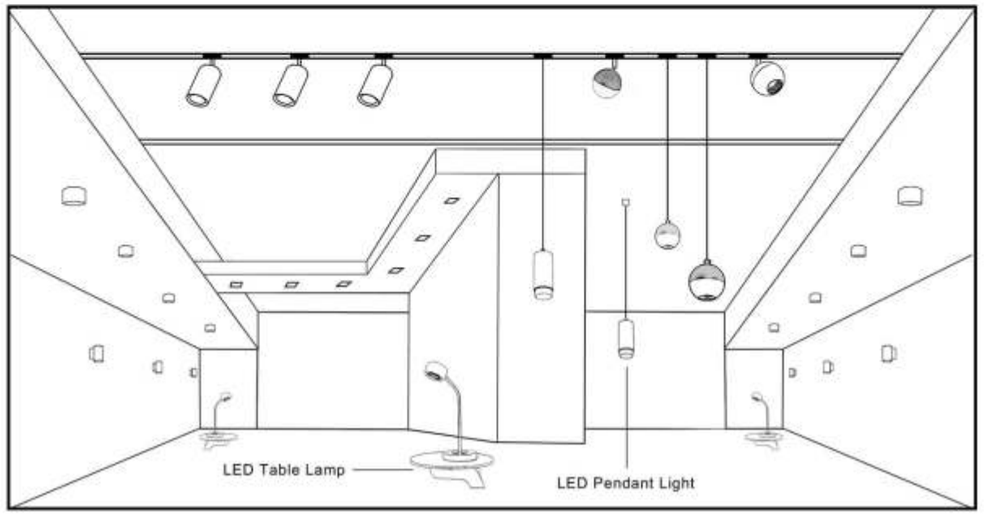

3) design style of the luminaire to meet the needs of the decoration style of the use of the regional space;

4)High cost performance, convenient installation, beautiful fashion and simple shape

5) Our engineers have the comprehensive ability of structure development, optical design, thermal design to meet customers' various demands.

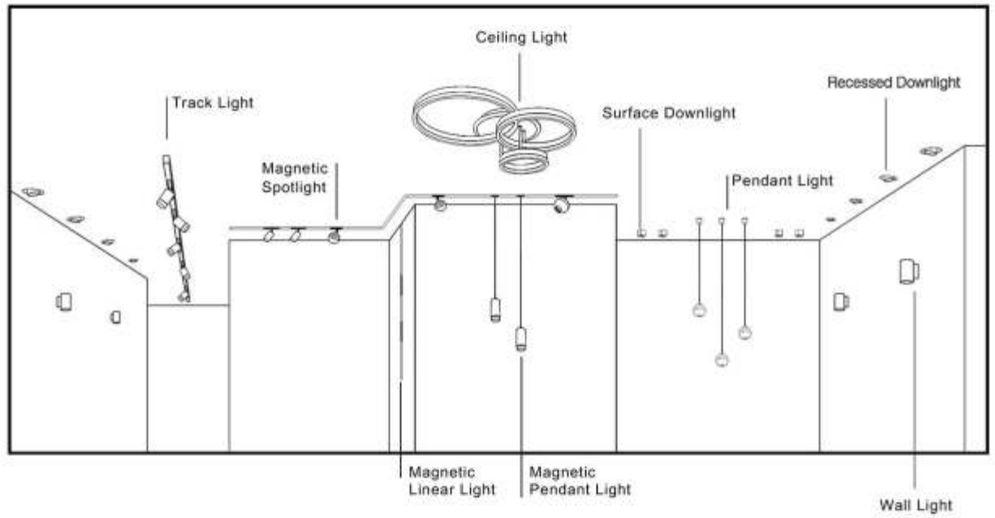

UR Lighting System

We are ISO9001 certified manufacturer and most of our products are approved by CE,TUV,EAC, CB and EMC certifications. The quality of our products is assured by our implementing QA ERP system and well-equipped testing lab.With more than 9 years experience in lighting fixtures exporting field, our market has covered Europe South America, Mid-East and Russia.The R&D Department has 7 engineers and they independently research and develop new products each year.
Our engineers have the comprehensive ability of structure development, design to meet customers' various demands.

RETAIL & SHOPPING

UR Lighting is a commercial lighting manufacturer specialized in a diverse range of interior light The product range covers LED recessed downlight, LED track light, LED ceiling light, LED pendant light，LED Table light , LED wall light, LED magnetic light system.

Magnetic attraction lamp system

Fun with magnets and light. Simultaneously graphic and subtle, the Running Magnet is flexible, precise, and as creative as you.
It is track lighting redesigned and elegantly refined.

Minimalistic magnetic adapters form one neat line when placed in the track.

It provides a reliable and flexible connection system for commercial and residential lighting design, and change the hard-mounted luminaire to soft, to save installation and maintenance costs.
